

Reliable

# TRUS

## Residential

Independent mobility is your connection to the rest of the world. It allows you to remain active, improving your quality of life. It's your personal freedom, and that is important to us... that is our job... that is **Trus<T>Lift**.

Safety, comfort and convenience were **Trus<T>Lift's** #1 design considerations.

- Innovative **Soft Touch Control Pads** for ease of operation.
- Direct drive **Worm-Gear / Screw-Nut Drive** for **maintenance free operation**, incorporating **zero load start** for cold weather climates (drive system allows motor to get up to full speed before lifting car).
- **Expanded Metal Platform** allows full under platform visibility.
- **Keyed Access** to control use of lift.

These are only a few of **Trus<T>Lift's** unique features that make it the best exterior lift on the market today.

Dependable

Active Lifestyle
